

## Commonwealth Worldwide Wins Concierge Choice Award for Best Limo Service

Tuesday, January 28, 2014 | [Industry News](#) | [No comments](#)

Commonwealth Worldwide Chauffeured Transportation recently announced that they have been awarded the 2013 Concierge Choice Award for Best Limousine Service. First established in 2007, these prestigious awards are presented by the New York City Association of Hotel Concierges, honoring the companies, organizations and individuals who produce outstanding experiences for visitors of New York City.

Commonwealth Executive Vice President Scott Rutter, who accepted the award on behalf of the company, said, "We are proud and delighted to receive this award as we work very closely with the NYC concierge community. They understand outstanding service and to receive this designation from them is truly an honor."

Awards are given in 15 different categories that include everything from restaurants to cultural institutions. The reception took place at the Loeb Boathouse in Central Park and was hosted by Davler Media Group, publisher of City Guide and Promenade Magazines. Visit [www.conciergechoiceawards.com](http://www.conciergechoiceawards.com) for more information.

Commonwealth Worldwide Chauffeured Transportation was founded in 1982 by Dawson Rutter, and it is now one of the nation's fastest growing luxury chauffeured transportation providers, driving more than 283,000 passengers annually in more than 70 countries. Headquartered in Boston with a fully owned subsidiary in New York City and a global partner network, Commonwealth serves cities and clients worldwide and is the largest privately owned limousine company in the US.
