Traveling anywhere these days is tough enough, especially to places you may not have been before. At Commonwealth Worldwide, we're in the peace of mind business.

It starts 24 hours before every trip with a **CWW24** email to remind you of your reservation with us. Not only will it help you remember in advance, it'll prompt you to cancel any unnecessary bookings to avoid no-shows or late-cancellations.

2

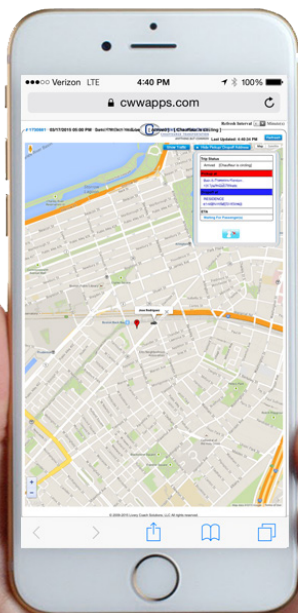

Just before your trip, we'll send you a **Chauffeur Direct** notification via email, including the name and cell number of your chauffeur, about 40 minutes prior to the scheduled pickup time. Upon request, this information can be sent up to 2 hours in advance. We'll also send your driver's photo, so you'll be able to recognize him or her in crowded areas.

3

Not sure where your chauffeur is? The same **Chauffeur Direct** email you just received has a handy link to a **live GPS tracking map*** showing exactly where your vehicle is located!

Giving our clients peace of mind is just part of what makes Commonwealth "Anything But Common."
